Software Engineering Internship

Aqibtech LLC

Duration: 3 Months (Unpaid)

Location: Remote

About Aqibtech LLC

Aqibtech LLC is a dynamic software consulting company that specializes in AI, Data, and the cloud. We are committed to innovation and pushing the boundaries of what is possible with software.

About the Internship

We are seeking enthusiastic and motivated individuals for our Software Engineering Internship program. This is an excellent opportunity for students and recent graduates to gain hands-on experience in the exciting field of AI-driven web development.

Responsibilities

- Assist in developing AI-driven features, collaborating on implementing AI models that support code generation, project structuring, and setup tasks.
- Work with the team to automate database setup, including schema generation and integration with other application components.

- Develop and test tools for efficient database management, such as data migration, backup, and versioning support.
- Participate in designing and implementing integrations between frontend and backend modules for real-time interaction across the development lifecycle.
- Contribute to testing and debugging efforts, including writing and executing test cases for AI features, database configurations, and app performance improvements.

Qualifications

- Currently pursuing or recently completed a degree in Computer Science, Software Engineering, or a related field.
- Strong understanding of fundamental programming concepts and data structures.
- Proficiency in at least one programming language (e.g., Python, Java, JavaScript).
- Familiarity with web development technologies (HTML, CSS, JavaScript).
- A passion for learning and a strong desire to contribute to the development of innovative AI solutions.

Benefits

- Gain valuable experience in the field of AI and web development.
- Work alongside a team of experienced professionals.
- Learn about the latest technologies and industry best practices.
- Develop your technical skills and enhance your career prospects.
- Certificate of completion and experience letter from our company.

To Apply

Interested candidates should submit their resume to owais@aqibtech.net. You will have to sign an NDA & Non-Compete before starting.
